Selectmen's Meeting

ASSISTANCE SOUGHT ON WATER SERVICE

Executive Secretary Stephen Lombard reported to Selectmen on pre-application for Small City Grant Assistance from HUD. The federal grant has a ceiling of \$450,000 for a single purpose grant for one year. Mr. Lombard said that he feels that the project which stands the best chance of funding is the extension of town water to the Brandt Island area which has salt water infiltration problems, no fire hydrants and pollution problem in wells due to surface water. He said the grants are designed to directly benefit low or moderate income families and to correct deficiencies in public facilities which adversely affect health and safety.

DISASTER ASSISTANCE

Mr. Lombard also reported to Selectmen that he and Mrs. Jane Ashley, Town Account-

AUDITOR ACCEPTED

Selectmen voted to accept the bid of Arthur Young and Company of Providence, Rhode Island on their estimate of \$5,500.00 for an audit of town books for the two-year period ending June 30, 1978. Other estimated fees were \$5,800. from Everett Davis, \$12,000. from Rodriques, Guckin & Tobojka, and \$6,200 from Considine & Hodgson. The Board of Selectmen had interviewed representatives from all of these firms in a previous meeting.

would then be returned to the fund as the tickets are sold to those who go on the trip activities. The money will be drawn by voucher by a single designated member of the Council. GRANT LEAVE OF ABSENCE

Selectmen granted a 2-month leave of absence to Robert W. Souza. In a letter to the Board Souza stated that he has an opportunity to better himself occupationally and financially and would like to try it for 2 months before making up his mind. Selectmen noted that the police contract allows this. RESIGNED

The Board of Selectmen accepted with regret a resignation from Arlene Linhares from the Board of Appeals. Mrs. Linhares stated, in her letter, that unpredictable overtime in her job made it difficult to attend meetings. TOWN CLERK CONGRATULATED

Selectmen received notice from the International Institute of Municipal Clerks advising them that Town Clerk Lois Ennis

has been awarded the designation of Certified Municipal Clerk. The Board congratulated Mrs. Ennis personally on attaining this distinction.

Rochester Walk-a-thon

Spring is here! That means, among other happy things, that it's time for the annual Walk-a-Thon at Rochester Memorial School. The children will soon be around asking friends and neighbors to sponsor them for this year's walk. The Walk-a-Thon has always provided a most exciting day for the children and has also provided funds for many valuable enrichment opportunities for all children in the school. The money raised last year was used to purchase a sound system for the school auditorium, a kit for metric instruction, materials for the music department, library supplies to facilitate the operation of the school library, and a make-up kit to be used for the students' theatrical endeavors.

The date for this, the fourth annual Walk-a-Thon, is Saturday, April 29th. The event is held from 1 to 5 P.M., and the children walk a two-mile block around the school as many times as they can, under the supervision of the local police department and the many parents who come to help. Kindergarten children who participate must be accompanied by an adult.

Each year there are prizes for the children who walk. There are ribbons, McDonald's gift certificates, and kick balls; and this year the grand prize is a cassette tape play-

Art Center Birthday

The Marion Art Center celebrates its twentieth birthday this Saturday, April 1st, with a gala party for members and their guests beginning at 8:00 P.M. Impromptu entertainment will be provided by some talented local people including Thelma Ostenfeld, Cameron Fordyce, John Donavon, Mitchell Platt and David Stanwood. David Stanwood is a newcomer to Marion who is a piano tuner and builder of stringed keyboard instruments. He has volunteered to tune the Art Center's piano for the forthcoming evening as well as play some selections himself. Many thanks, David! Some of the entertainers will be accompanied at times by Dick Fairweather on drums. There are also some surprises planned by Nancy Lee Gaucher and Jan Adkins among others. Spontaneous performers are welcome too. Hors d'oeuvres and one free drink are included in the ticket price.

Membership in the Marion Art Center has always been open to the public. As a community cultural center, the theater, gallery and classes have served this area for twenty years. By becoming a member, one is supporting such an idea which, for the most part, has existed solely on dues and

Council on Aging

Well, here we are hopefully into spring with another schedule of events. We have tried to incorporate a little of everything to give you all a variety. Included this month are shopping days, a luncheon, museum, and of course our big trip to the circus. We have a large bus going to the Providence Civic Center on April 29th for the morning performance of the Ringling Bros. & Barnum & Bailey Circus. PLEASE NOTE THE TIME CHANGE FOR THE PERFORMANCE! Sounds like a fun morning, doesn't it! The deadline for making reservations for the circus is April 14. All reservations must be made and paid for by that time. We are sorry but we will not be able to accept cancellations for the circus trip once reservations are made and paid for as we must purchase these tickets in advance to insure you this special price.

Make your reservations early to avoid disappointment. Call the Town Hall (758-3758) on Monday (Tuesday if Monday is a holiday) and Thursday between 10:00 A.M. and 12 Noon or stop in at the Selectmen's office (first floor) where you can pay for your tickets at the same time.

Please remember that all reservations

donations. However, the 19th century building is in need of constant repair and renovation, and this Birthday Party is a fund-raising event to help alleviate costs.

If you'd like to come to the party and if you'd like to become a member of the Marion Art Center, stop in the office between 1 and 5 P.M. Tuesday through Saturday or contact chairman Nana Sawyer in Marion. After twenty years, 200 gallery exhibits, 60 plays, many classes and scholarships; they must be doing something right!

Little League Basketball

On Monday, March 20th, Gold took the lead over Black and went on to win 41-13.

Red vs. White started off close with a 5-5 tie at the end of the first quarter. Some excellent shooting was done in this game by Paul Fistori, Mike Burnett, Russ Bailey, Scott Litchfield, Chris Carvalho and Steve McGonigle. White took the lead in the second half and won 19-5.

Thursday, in makeup games we started with Gold vs. Orange. Both of the teams were undefeated and trying for second round championship. Gold lost to the Orange but shouldn't give up hope, since Orange has one more makeup game scheduled before the second round can be completed.

On Monday evening the final game of the season will have been played. The standings for the season as of March 24 are: Orange 12 wins, 1 loss, Gold 10 and 4, Purple 9 and 5, Blue 7 and 7, Green 4 and 10, Black 4 and 10, White 4 and 9, Red 3 and 11.

Voting Informed

Editorial, D.C.J.

At the time that the Annual Town Meeting date was changed back one month from March to April, it was to allow a month to study the warrant. It was assumed that the warrant would appear at the regular time. In the years since, a slippage has occurred until now that month has vanished. It might be well to reconsider the original idea and fix the deadlines to that purpose. The amount of material to be digested and the funds required have increased to the level of danger to vote underinformed.

A thoughtful homeowner suggested to me this week that it would be of great help to print in the warrant an estimated price tag for every new article and every increase in an existing budget. This price tag should be in dollars and cents per thousand, he suggested. If this were done, the voter (rather than confronting a massive whole

in thousands and millions of incomprehensible dollars) would confront a computable cost to him or her personally. Suppose you read: Estimated - \$4. increase over last year per \$1,000 valuation. An owner of a \$10,000 valued home could certainly compute that to an extra \$40.00 bite over the past year. At present you have to take this year's total, subtract last year's total, divide by the figure that would give you the \$1. per thousand rate, multiply by your valuation. By the time you've finished, the floor has voted your 40 bucks and neither you nor they know what they have spent.

The individual should have the same grasp of public spending as private. More and more of our money is spent by government and we should know if we can afford it before the tax bill arrives.

Kindergarten Screening

The Special Needs Law (Chapter 766) requires that all children be screened prior to entering Kindergarten. The intention is to identify any special needs a child may have so that an individual program may be planned for a given student. The screening will be conducted in the basement rooms of the 1898 Wing in Center School by the following personnel: 1. Kindergarten Teacher and Special Needs Teacher; 2. School Nurse; 3. Physical Education Specialist; 4. Speech Therapist.

The screening process consists of: 1. Assessment of child's stage of development; 2. Assessment of child's motor ability and coordination; 3. Assessment of vision and hearing; 4. Observation of speech patterns.

Screening by the school personnel will take place on Monday, April 3rd, and Monday, April 10th. Individual screening for each child requires about one hour.

Any parent who has not registered a child who will be entering Kindergarten for the school year 1978-1979 should call the school office (758-2521) for an appointment date to register him. At the time of registration a screening date will be given.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

Shipwrecks, Sharks and Scuba will be the topic when Michael A. deCamp presents his slides and lecture at Friends Academy at 7:30 P.M. Wednesday, April 12th.

Mr. deCamp has been a deep ocean scuba diver since 1956 and he comes to Friends to share some of the adventures and dangers he has experienced when, armed only with his camera, he has ventured into the depths of the North Atlantic. He has photographed many shipwrecks along the continental shelf; he has filmed sharks in the wild one hundred miles at sea off Long Island; he has explored the ocean bottom through swarms of angler fish, eelpouts, skates, cod and pollock.

BOSTON FLAMENCO BALLET AT SMU

The haunting, stamping flamenco beat of old Spain will echo on the stage of the Southeastern Massachusetts University auditorium when the Boston Flamenco Ballet performs on Sunday, April 2, at 8:00 P.M.

The program consists of song and music by "La Tuna", (Spanish university student musicians), and of flamenco dance featuring the "Bullfight". The "Bullfight" will present the dances, singing and music that tell of the suffering, courage and excitement surrounding the bullfight. The highlight is a realistic imitation of all the steps and rituals of a bullfight. The bullfight is presented not as a sport or barbaric curiosity, but as an ancient ritual inherent to the Spanish way of life and death.

Founded in 1973, the Boston Flamenco Ballet has toured successfully throughout the United States. The company's main objective is to contribute to the preservation and understanding of the Spanish heritage.

Tickets are on sale at Uncle Ernie's Corner in the SMU campus center. They are also available at the door the night of the performance.
